

KEEP YOUR FAMILY SAFE DURING HURRICANE SEASON.

CREATING AN EMERGENCY PLAN CAN HELP.

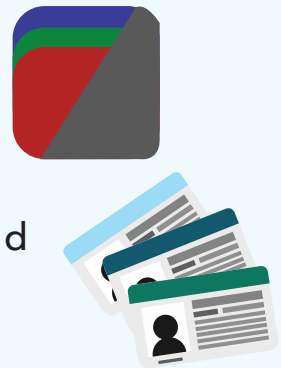

COLLECT.

Create a paper copy of the contact information for your family and other important people/offices, such as medical facilities, doctors, schools, or service providers.

SHARE.

Make sure everyone carries a copy in his or her backpack, purse, or wallet. You should also post a copy in a central location in your home, such as your refrigerator or family bulletin board. Create a group list on all mobile phones and devices of the people you would need to communicate with if there was an emergency or disaster.

PRACTICE.

Practice texting and calling. Have each person practice sending a text message or calling your out-of-town contact and sending a group text to your mobile phone group list. Talk about who will be the lead person to send out information about the designated meeting place for the household.
