OVERVIEW: \$43.632 Million Community Development Block Grant Disaster Recovery (CDBG-DR) Allocation

- At least 80 percent of the allocation must address unmet needs in the HUD designated Most Impacted and Distressed (HUD MID) counties.
- At least 70 percent of the allocation must be used for activities benefiting low- and moderate-income (LMI) persons.
- 254 CDBG-DR Eligible Counties:
- HUD MID: Dallas, Harris, and Tarrant Counties
- Secondary MID: Remaining 251 counties in Texas

The total allocation must be expended within six years of grant agreement signing.

GLO-Administered Programs

2021 Winter Storms (21WS) HUD MID Counties Program (\$30.459 million):

Provides funding for infrastructure improvements and/or the rehabilitation, reconstruction, and new construction of affordable multifamily housing within the HUD MID counties. This program will allow for specific projects that target those areas most impacted across the respective counties. Included in these program funds are the Mitigation set-aside funds (\$5.691 million) HUD provides for CDBG-DR grantees to mitigate against future similar disasters in the affected areas.

2021 Winter Storms (21WS) Fire Facilities and Protective Measures (FFPM) Program (\$7.5 million):

Provides funding for disaster relief, long-term recovery, and restoration of fire protection facilities for the remaining 251 Secondary MID counties impacted by the 2021 Winter Storms. This program will allow for the recovery of fire protection facilities and allow for improvements and equipment, while also allowing for permanently affixed power generator public facility needs that are essential during winter storm events.
