Citizen Participation Plan for the State**

---

## **Overview**

The Texas General Land Office (GLO) administers Community Development Block Grant disaster recovery (CDBG-DR) funds allocated to Texas by the U.S. Department of Housing and Urban Development (HUD). As part of the administration of CDBG-DR funds, the GLO is required comply with HUD's citizen participation requirements outlined in each Federal Register notice.

### **HUD's Federal Register Notice Requirements**

Public Laws 115-31 appropriated CDBG-DR funds to address disaster relief and long-term recovery from major declared disasters that occurred in 2017; for Texas, the Federal Register notice issued by HUD (82 FR 247 published December 27, 2017) allocated a total of \$57.8 million for long-term recovery efforts in response to the impacts of Hurricane Harvey.

The citizen participation plan for the Hurricane Harvey \$57.8 million allocation as required by the Federal Register notice 81 FR 83254 will provide a reasonable opportunity of at least 14 days for citizen comment and ongoing citizen access to information about the use of grant funds.
