GLO-CDR reviews contracts for accuracy and updates this report on a monthly basis. Existing contracts may be pending entry until all information is confirmed. Any penalties and/or liquidated damages assessed to contractors are noted.

To fulfill the contract reporting requirements in the Federal Register Notices related to the GLO-CDR's active grants, GLO-CDR has elected to provide a consolidated contract report identifying all contracts executed to date, for the grants identified in the table below, along with the proportions of CDBG-DR and CDBG-MIT funds related to each of the grants for clarity and transparency purposes.
